January 2014

To the Jan Pro Team:

I wanted to send you a quick note to tell you how very much we appreciate your attention to the cleaning efforts here at the Colorado Springs Conservatory.

It is absolutely wonderful to come to work every morning knowing that the Jan Pro Team was hard at work through the night. Your diligence to details is evident. It is comforting to know that the students and families of the Conservatory can study and perform in an environment that is clean and orderly.

We are thrilled to have made the switch to Jan Pro several months ago. Happy to tell others about our partnership with Jan Pro.

Thank you!

Sincerely,

Linda L. Weise
Executive Director
